

Francis Barber Pupil Referral Unit

We would like to invite you to attend a Community Engagement Event to review plans for the proposed redevelopment of Francis Barber Pupil Referral Unit [PRU]. This public event will take place at Francis Barber PRU on Monday 27th March, between 17:00 and 19:00hrs, and is your chance to find out more information regarding the School's redevelopment plans before a planning application is submitted to the London Borough of Wandsworth.

The project is part of the Department for Education (DfE) *School Rebuilding Programme*, in which Francis Barber PRU has been identified as one of the top priority schools across England in need of modernisation.

Plans have been developed in close collaboration with the school addressing specific educational needs. There will be no increase in pupil/staff numbers.

The proposals include:

- Replacement of existing buildings with a new purpose built 2 storey admin block and 3 storey teaching block
- Refurbishment of existing sports hall
- Purpose-built assembly hall
- Purpose-built external multi use games area (MUGA)
- Enhanced soft landscaping and biodiversity
- Secure bike parking facilities, no vehicle parking
- Net Zero Carbon in operation
- Community access to school facilities (out of hours)

COMMUNITY ENGAGEMENT EVENT
